Dear Pastor (Name),

I would love to schedule a brief meeting with you to share a potential new ministry for our church, the Standing for Marriage Restoration Curriculum.

It is a biblically based, video driven small group designed for those believing God can restore their marriage, even after separation or divorce.

This is something very close to my heart, and I believe it could impact people in our church who are hurting quietly.

During our meeting, I will walk through how it works and how I can help implement it here at (Church Name). I also have a short video from Pastor Jason Carver created specifically for pastors. You can watch this video at <https://standingformarriage.com/#pastors>.

Would you be available for a 30 minute meeting next week?

Thank you for your time and consideration.

In Christ,
(Your Name)

Present the Vision

WHAT THIS IS

- ✓ A Christ centered, video based small group
- ✓ A 9 session curriculum rooted in Scripture
- ✓ Designed for those believing for marriage restoration
- ✓ Built on a real testimony of a restored marriage

WHAT THIS IS NOT

- ✗ Not divorce recovery
- ✗ Not counseling
- ✗ Not about moving on
- ✗ Not meant to shame anyone

YOUR PLAN

The curriculum is already built, the sessions are video based, and I am willing to help lead or coordinate the group.

WHAT YOU NEED

All that is needed is a meeting space or online approval, permission to promote the group, and approval to launch.

YOUR HEART

There are people in our church right now standing for their marriage in silence. This gives them a place to stand in faith and not give up.

What Is Standing for Marriage Restoration?

Standing for Marriage Restoration is a Christ-centered, biblically focused, video-based group curriculum designed to help people stand in faith and believe that God can restore their marriage, even after separation or divorce.

This curriculum was created with the local church in mind, serving as a potential alternative to DivorceCare or, in some cases, a prerequisite to it. Too often, we only seek care when God desires to both care and restore.

We believe the church should lead the culture in this area by showing that God loves marriage and is still actively involved in restoring even the most broken and seemingly lifeless marriages.
